

JOHNSON RAGS

WE NEED YOU TO RENEW!

Thank you for your patience and support during this COVID19 crisis. The YWCA, our bands & music and all of you have been fully cooperative as we deal with cancellations and changes.

As the shutdowns started in March the planning for our new dance season was wrapping up, so we have a full 2020-21 dance season scheduled. In light of our abbreviated 2019-20 season, we are **discounting renewal dues by \$25 per person or \$50 per couple**. This discount approximates YWCA rent saved from our cancelled dances. The club is retaining the music cost savings so that we can offer cancelled bands additional dances as schedules allow.

BECOME A SEASON 44 SPONSOR

Thanks to all our sponsors for their awesome dedication and generosity! To keep JRDC strong, we are continuing the Sponsorship program into season 44 and beyond. To become a Sustaining Sponsor for season 44, see Harry Smith.

Question: New Year's Eve Buffet?

We received rave reviews on the snacks, desserts & drinks on the Two Guys Catering buffet this past New Year's Eve.

⇒ Would you pay \$15/person (\$30/couple) for the same service this NYE?

⇒ Or would you rather return to the pitch-in buffet?
